**OPERA IS ELEMENTARY - Teaching Artist Visit Form
Available February through June 2004**

School: _____

What are the culminating activities of the participating classes?

Please list the classroom teacher and their class's chosen culminating activity. If two or more classes will be working on an activity together, please indicate that below. If you will be using an "original" script, please enclose it with this form so that the Teaching Artist is prepared for the visit(s). Finally, take note that there is no additional fee; this is included in the price of the program.

(if more, use the back of this page)

- Check here if you are enclosing an "original" script or other materials for your culminating project.

Please list the best date and times for a New York City Opera Teaching Artist to visit your school and work with all of the participating classes on the same day (list 3 days, in order of preference). If you have 5 or more participating classes, an artist will visit on multiple days.
